Overview

The Russians have moved out of Seattle and are now expanding their perimeter throughout Washington State. The battalion led by Colonel Orlovsky initially has it easy, but soon enough they encounter the first group of hard-headed American defenders.

Intro

MALASHENKO – usf1_01
Malashenko to Sokol-1. This place is too calm.

ORLOVSKY – usf1_02
I agree, captain. The river is the perfect place for them to defend. We need better intelligence before we continue the advance.

Objective 1 – Recon the Airstrip

ORLOVSKY – usf1_03
Sokol-1 to Romanov. Move ahead and scout out the area. And be wary of ambushes.

PRIMARY OBJECTIVE

“Scout ahead toward the airstrip”

“You have been ordered to scout ahead. Move your units to the designated area and watch out for enemy units.\n\nTo complete this objective you must move at least one unit to the area marked on your map.\n\nYou will fail the objective and the mission if you lose all your units.”

ORLOVSKY – usf1_04
To all battle group elements. Spread out and hold in place. Romanov will scout ahead. Sokol-1, out.

MALASHENKO – usf1_05
Govorit Malashenko. Ponjal. The Americans are here somewhere. Be careful, Lieutenant.

While moving:

MALASHENKO – usf1_46
Malashenko to Sokol-1. I wish the Americans would have the guts to stand and fight us.

ORLOVSKY – usf1_49
Don't hope for too much, captain. We lack the fire support for a decisive engagement.

MALASHENKO – usf1_50
We can do without it! My men are already chomping at the bit.

ORLOVSKY – usf1_51
I am sure we will find the Americans soon enough, captain.

MALASHENKO – usf1_52

I hope so. Then we shall destroy them utterly. Malashenko out.

When reached:

ORLOVSKY – usf1_06

No sign of the enemy yet.

ORLOVSKY – usf1_108

I don't like this, Lieutenant. Take your group east and continue the reconnaissance. Sokol-1, out.

Reminder:

ORLOVSKY – usf1_53

Your orders are to scout ahead, Romanov. The entire battle group is waiting on you.

Updated Objective 1 – Recon the Farm

PRIMARY OBJECTIVE UPDATED

“Scout west toward the farm”

“Continue your reconnaissance and move toward the designated area.\n\nTo complete this objective you must move at least one unit to the area marked on your map. \n\nYou will fail the objective and the mission if you lose all your units.”

MALASHENKO – usf1_54

Trusi Amerikantsie. Why won't they face us?!

ORLOVSKY – usf1_55

Patience, captain. I need you to keep your wits about you.

MALASHENKO – usf1_56

Don't worry about me, uncle. Worry about the enemy. Malashenko out.

When completed:

PRIMARY OBJECTIVE COMPLETE

Scout west toward the farm

ORLOVSKY – usf1_07

Still no sign of the Americans ...

MALASHENKO – usf1_08

Malashenko here. They are close. I can feel it.

ORLOVSKY – usf1_09

I believe you are right captain, but we must secure that bridge regardless.

Reminder:

ORLOVSKY – usf1_57

What is ailing you, lieutenant? My orders are clear. Scout toward the farm.
